INFINITY BUSINESS PITCH DECK

HOW TO INSTALL THE XML FILES

Mac OS:

Users > [your username] > Library > Application Support > Microsoft > Office
> User Templates > My Themes > Theme Colors folder.

The Library folder is not visible by default in some Mac OS's, you can make it visible by:

Run Terminal application (You'll find Terminal in the Utilities folder inside the Applications folder), paste this command into the Terminal window and then press Return: `chflags nohidden ~/Library/`

You can then close the Terminal Application and you will find the Library folder where you expected it in the User directory.

To browse the color schemes list after you install them, open the PowerPoint file:

- Go to 'Design tab'.
- Click on 'Variants'.
- Then click on 'Colors '.
- Choose any color scheme you want, all slides color will change.

if you find any problem in colors you only need to save and close the file, then re-open it.
